A enjoyable film nicely put together and very good performance from cast , directed well by Chris Green, part the jouney John takes learn may not know everything about his fathers past by only part of it may not get full ptcure as you get hear full story.

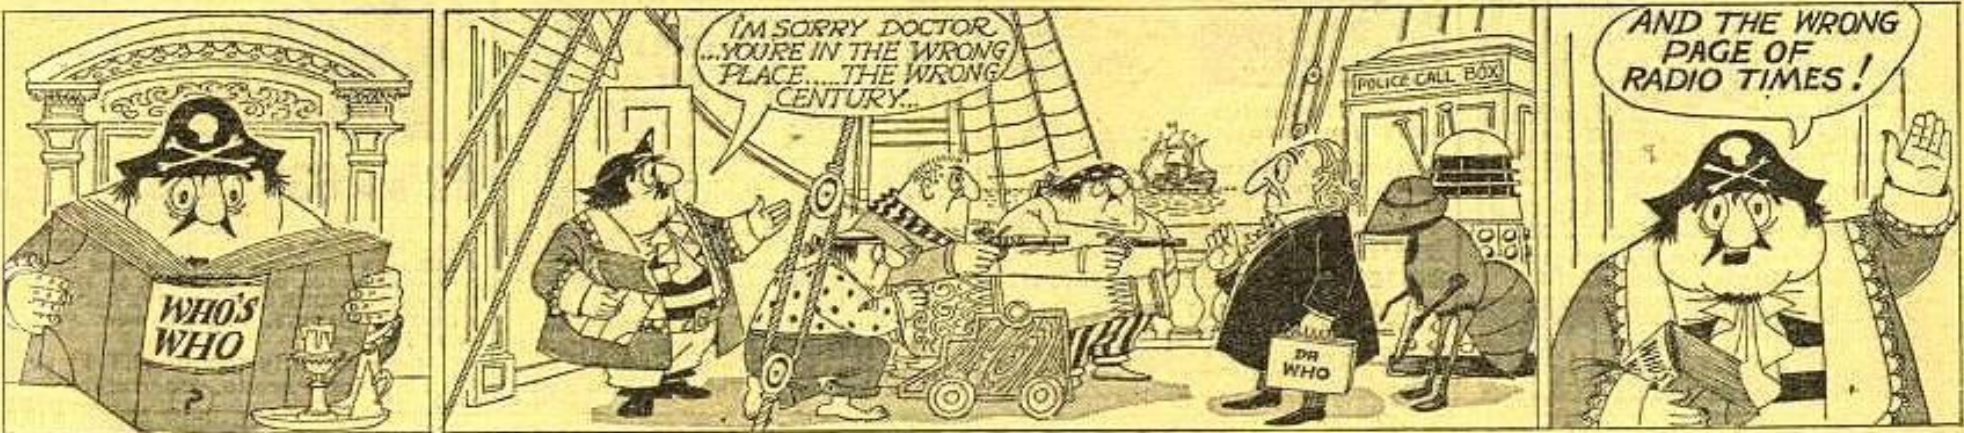

Muppets creator Jim Henson's Hampstead home given blue plaque

The American creator of The Muppets was honored Tuesday in Britain with a blue plaque at his former home in north London which he bought after 'The Muppet Show' was commissioned for British television — 50 Downshire Hill in Hampstead. It's a very simple message: "Jim Henson 1936-1990 creator"

Lew Grade (1906-1998), born **Louis Winogradsky** and often credited as Lord Lew Grade (as he received a life peerage and became Baron Grade in 1976), was a British television and film impresario who was influential in getting The Muppet on the air

The Perishers was a long-running British comic strip about a group of neighbourhood children and a dog. It was printed in the Daily Mirror as a daily strip and first appeared on 19 October 1959 until 10 June 2006

Bill Mevin (1922-2019)

Bill Mevin, studied at Liverpool School of Art Before joining Gaumont

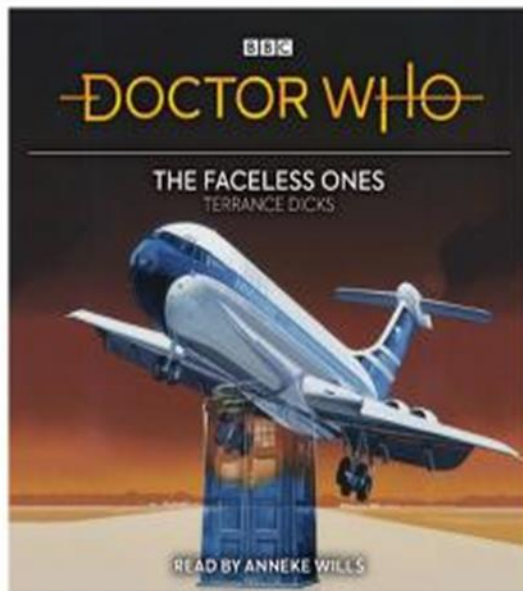

British Studios as a trainee film animator, working on the 1954 animated film Animal Farm and various shorts. He then went on to work as a topical cartoonist for the Sunday Chronicle newspaper for six months, later working in children's comics for several years on characters that included a six-month stint on "Doctor Who" for TV Comic - a strip he remains proud of to this day - "Popeye", "Bugs Bunny", "Yogi Bear", "Space Patrol" and many others.

The lost Doctor Who comes back alive

The Faceless Ones

Review

----- DAZ ANDERSON

Last year I heard the audio book the faceless which i enjoyed the first time my thoughts of the book can be found the link below the page, anyway the animated DVD came out this week a chilling body snatch story a good script and strong characters also nice to see humor from the doctor , the animation wonderful bright with life by turn this black white show in to colour to this lost classic doctor brought back to life from 1967 .We see adventure to feature Ben and Polly return home same day the war machines also see doctor be fair to-aliens make a truths in a peaceful with out blowing things up also ends with cliffhanger that will carry on the next adventure where doctor wants to find out who has taken his Tardis hear evil of the daleks.

One the best lost doctor who stories make you wish the full story existed after you hear the audio book. like lot target who books they put more than you can see onscreen from the pictures of the comediennes come across the scariest lost doctor monsters of lost doctor who which played with every day things to make them scary for the reader as TERRANCE DICKS amazing job translate it the page feel the pictures come to alive also understand plot also rare change were second doctor try use peace talks rather than blow up there ship as he knows it is right thing to as they are dying race even some of the of the aliens choice wrong way about things 10/10

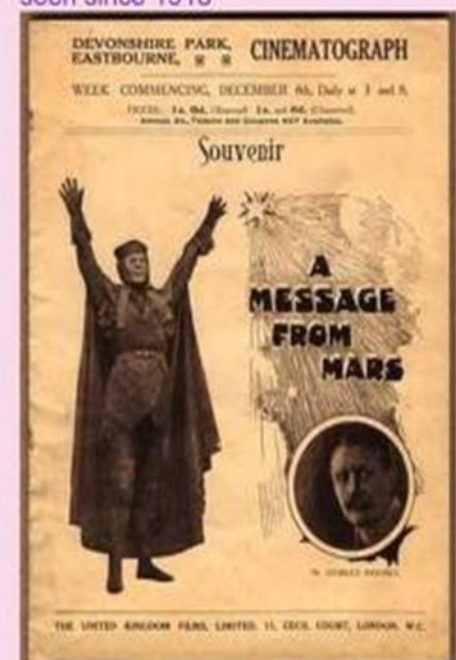

10/10

A message from mars

BFI show first British SF film free on BFI YOUTUBE channel

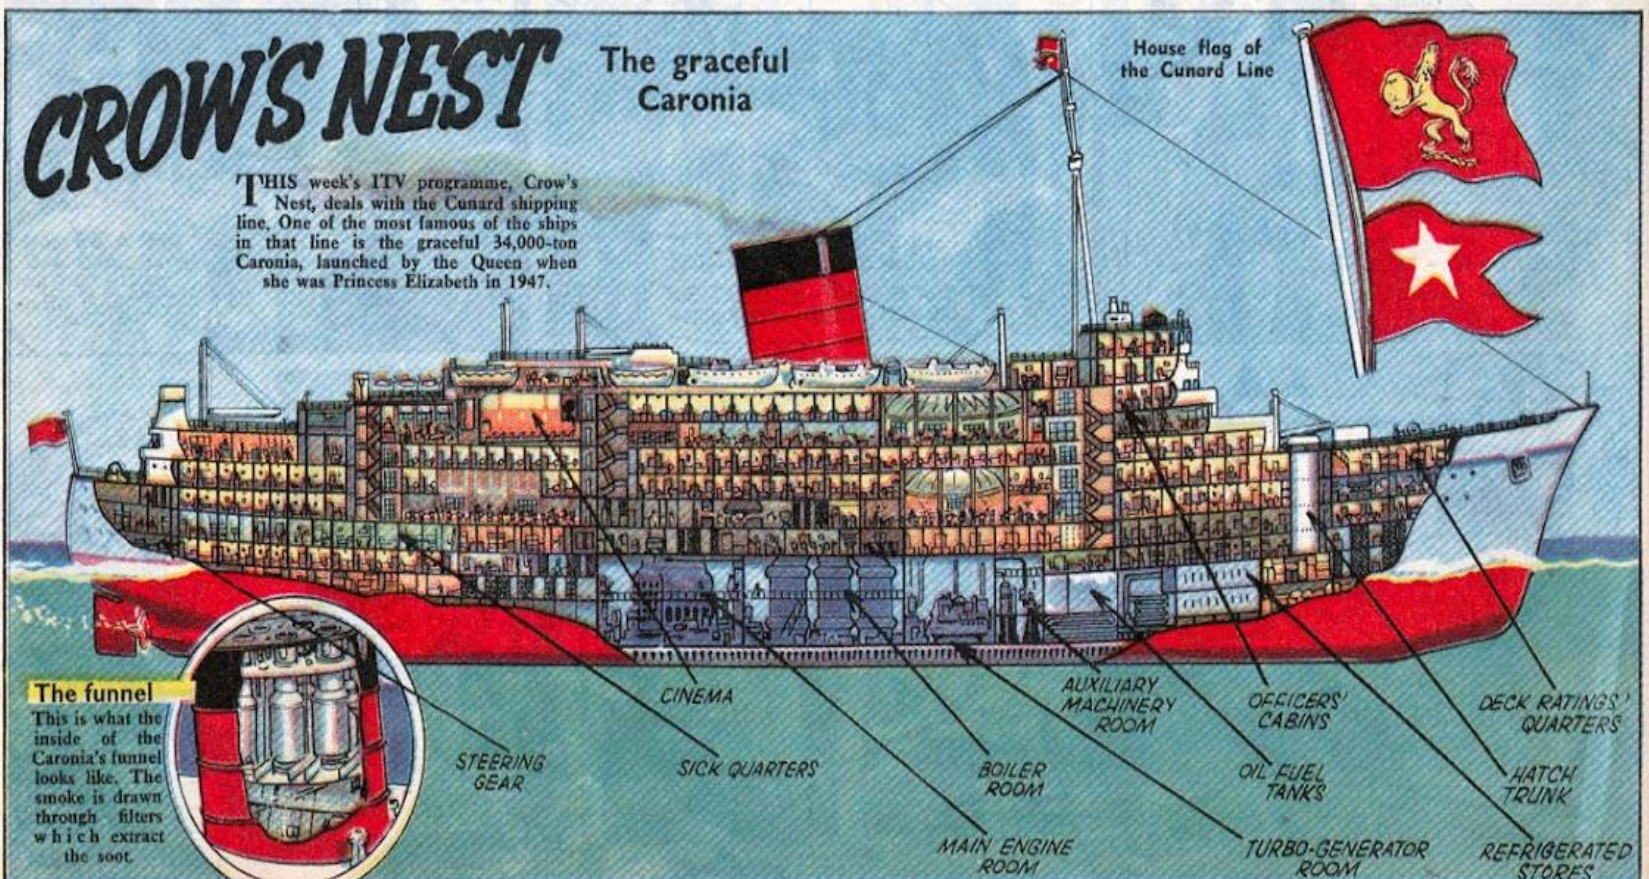

-----D.ANDERSON

can see what they mean by mars version of Christmas carol has the alien from another world teach a man earthly to be good to their fellow man not be selfish and do things for others by himself not force too. I love new sound effects that give life to this silent movie bring magic to this 100-year-old restored done amazing good job of first British SF film had not been seen since 1913

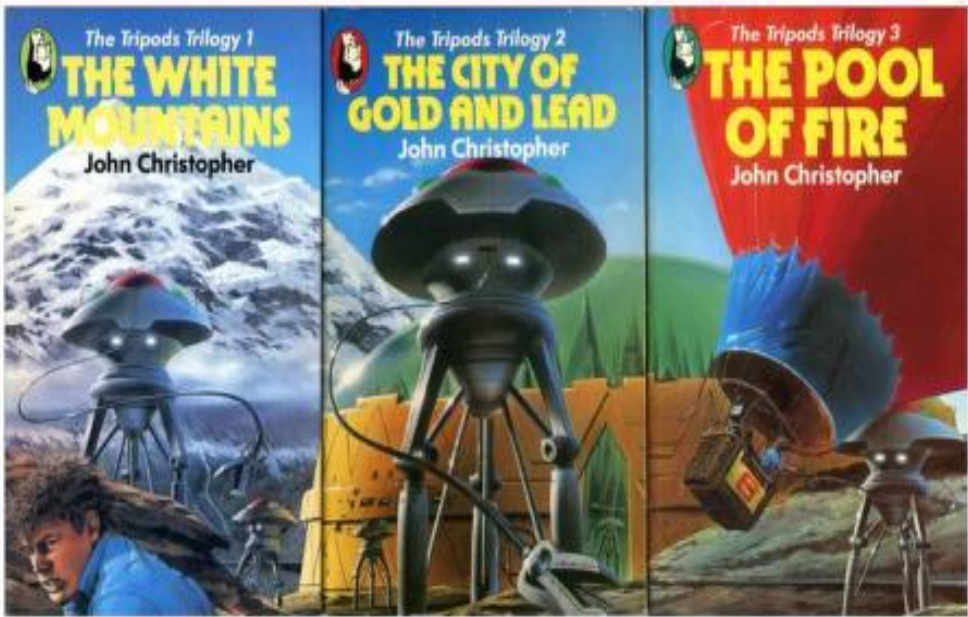

© Trade Mark No. 807312 registered in Great Britain by Screen Gems, Inc. TV Publications Ltd., Authorised Users.

The cartoons of Hanna-Barbera (or "Hannah Barbara" as I thought they were back then) were just making their mark on TV so Yogi Bear, Mr. Jinks and, as we saw on the back cover, Huckleberry Hound had begun appearing in UK comics. I believe these strips were drawn specially for TV Express and are not American reprints. The Yogi strip looks like it might

possibly be the work of Bill Mevin or Neville Main.

The TRIPODS book series begin in 1967

The Tripods

The Classic Reviws

----- D. ANDERSON

Way John Christopher wrights the TRIPODS trilogy like H. G Wells meets John Wyndham a diffident kind take on WAR OF WORLDS where the aliens have taken over world a 100 years ago by capping people at age 14 a boy Will plans to leave before next capping day because of his brother Jack not same person as before and starts a journey with Henny and makes friends with Beanpole from France to get to white mountains to find the freemen and hope to defeat the tripods. Really catch this world jumps of the page at first start to think it is set in the past,

The BBC TV did a faithful dramatized version with small diffidence's to the book and given extra danger to it but just as the series was doing well, they decide to pull plug before start to do the third series which was shame a DVD has music for third series in the features and look back on the show feature too there was talk of film but nothing came of it, worth watch and read

Rated 10/10

DOOMWATCH

The Plastic eaters

----- D. ANDERSON

this classic comes cross most believable sf shows to come out the 1970,s that were created by kit peddler and Gerry Davis who came up with the cybermen from doctor who well kit was into entertainment dangers to the planet amaze by what things come true from the show with plastic research has hit news last week of melting plastic waste the episode got be edge of your seat even you know what's going to happen saying don't open it. I knew about doom watch from 1972 film and only 4 episodes came out on VHS in 1990,s that i have seen or few episodes on UK gold TV in the early 1990,s only thing amazed me how long it taken see full series to come out on DVD

The 8th Doctor Audio Adventures

SEASON 1 Reviw

----- DAZ ANDERSON

May not fan of doctor who tv movie but other things could have done with it to make it better never mind about that, Big Finish give Paul McGann a second chance to play the eighth

Doctor to bring him alive and treat the audio adventures like a second pilot episode, they taken best bits of classic Doctor who to make the series too make it work and add something new to it. Big finish show having companions of diffident time works but strange since doctor who return to the tv screens all companion are from present day well top companions are from past like Jamie, Charlie comes across an adventure girl from 1929 first encounter doctor on the airship R 101 change their lives forever.

Charlotte Elspeth Pollard, or simply Charley, is a fictional character played by India Fisher in a series of audio plays produced by Big Finish Productions, many of which were broadcast on BBC Radio 7, based on the long-running British science fiction television series Doctor Who. Can see why there was love for this Doctor just bad luck Paul McGann came at wrong time for a great actor

Doctor Who and the Dalek I Doctor Who and the Day of the Daleks invasion of Earth Doctor Who and the Abominable Snowmen Doctor Who and the Wheel in Space Doctor Who and the Auton Invasion

The Essential Terrance Dicks Volume 1 Hardcover Review

----- D ANDERSON

Great to get these classic Target books from 1970s based on television adventures of doctor who from my childhood where repeats were rare or wipe from BBC forever this was only way get taste of past adventures by Terrance William Dicks (14 April 1935 – 29 August 2019) [1] was an English author and television screenwriter, script editor and producer. In television, he had a long association with the BBC science-fiction series Doctor Who, working as a writer and also serving as the programmer’s script editor from 1968 to 1974. The Doctor Who News Page described him as "arguably the most prolific contributor to Doctor Who".[2] He later became a script editor and producer of classic serials for the BBC.

Dicks wrote many children's books during the 1970s and 1980s. He also maintained his association with Doctor Who by adapting televised stories into novelizations for Target Books and in later years contributing to many documentaries and DVD commentaries for the series. Every summer would read good target book with comics like WHIZZER AND CHIP, BEZZER, TOPPER and spent my time with my grandparents in summer of 1970s 1980s dawning past time away.

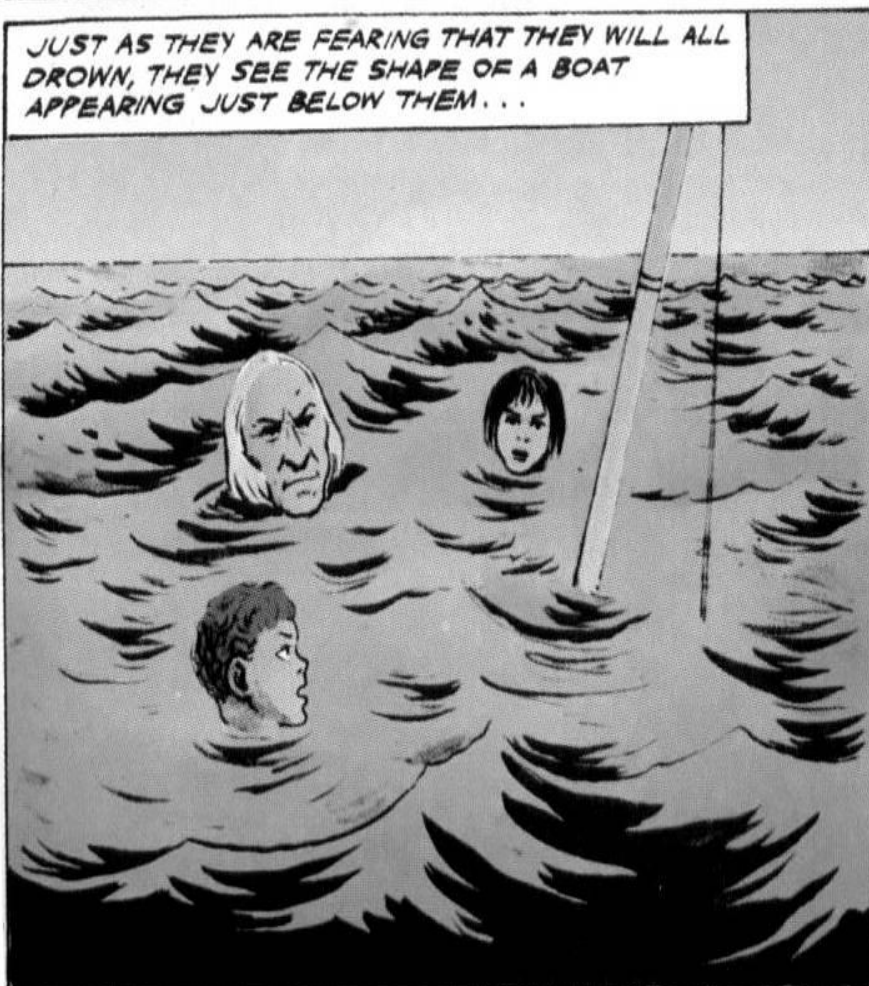

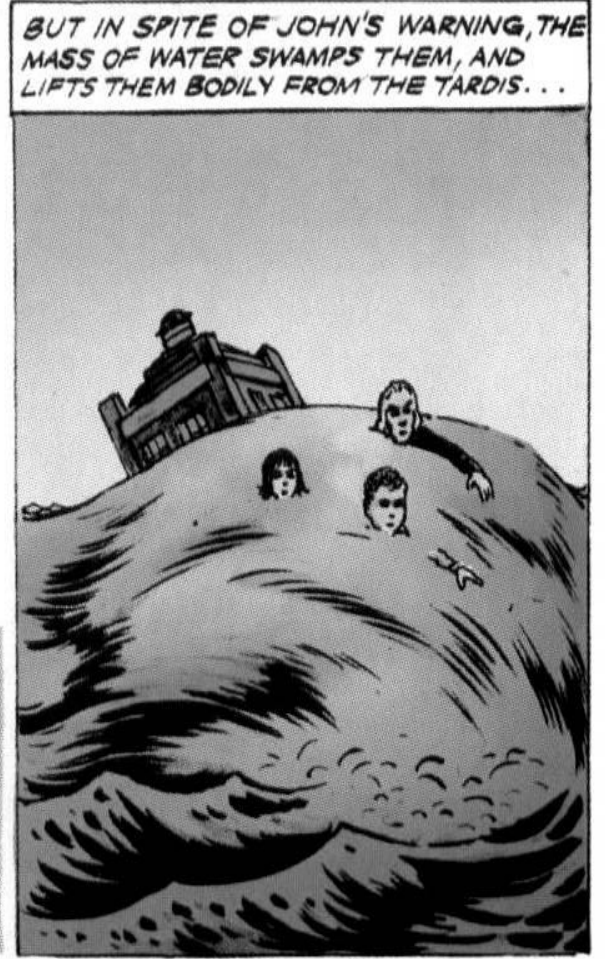

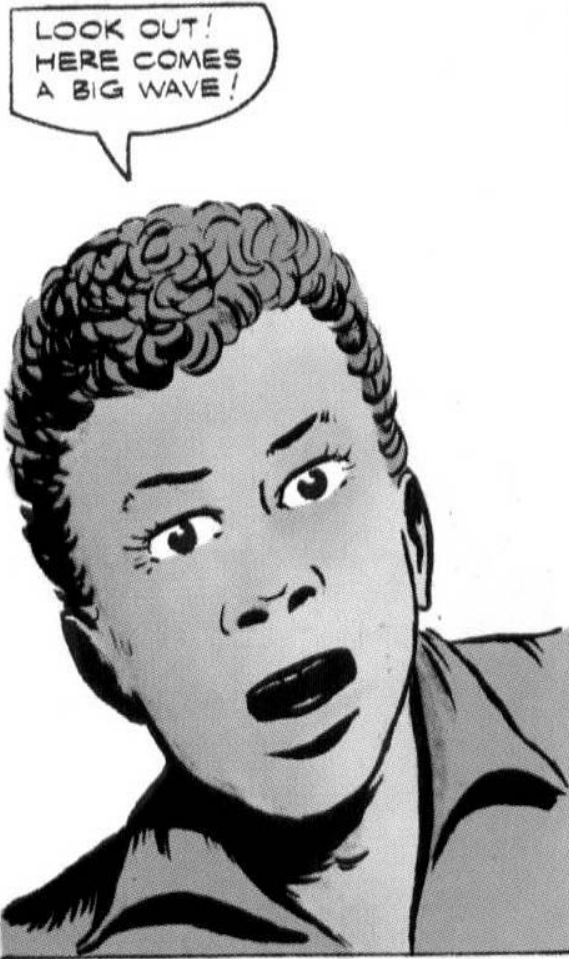

Lot of the books had more then what you seen on screen with Terrance Dicks and Malcolm Hulke

"I THINK IF YOU CAN GET A KID READING FOR PLEASURE, NOT BECAUSE IT'S WORK, BUT ACTUALLY READING FOR PLEASURE, IT'S A GREAT STEP FORWARD. IT CAN START WITH ME, YOU KNOW, START WITH DICKS AND WORK ITS WAY UP TO DICKENS - AS LONG AS YOU GET THEM READING." - TERRANCE DICKS

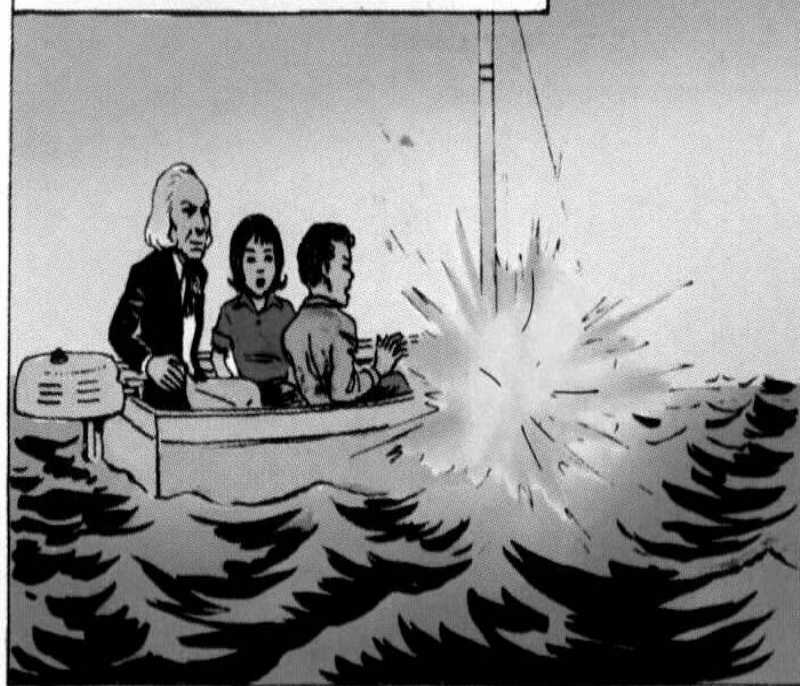

DOCTOR WHO

This time, Doctor Who is sure that he has brought the *Tardis* back through space and time to the present day on the planet Earth. John and Gillian, his grandchildren, hold their breath with excitement whilst the Doctor peers at a screen that should show them what lies outside the time machine . . .

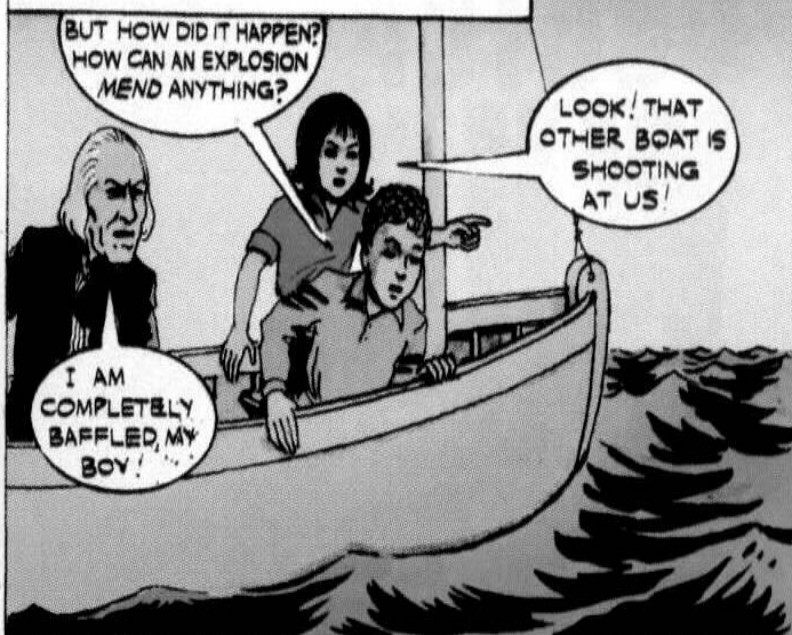

BUT WHY SHOULD THIS WRECK FLOAT AGAIN? IT LOOKS AS THOUGH IT SHOULD SINK RIGHT TO THE BOTTOM!

BUT BEFORE THE DOCTOR CAN ANSWER

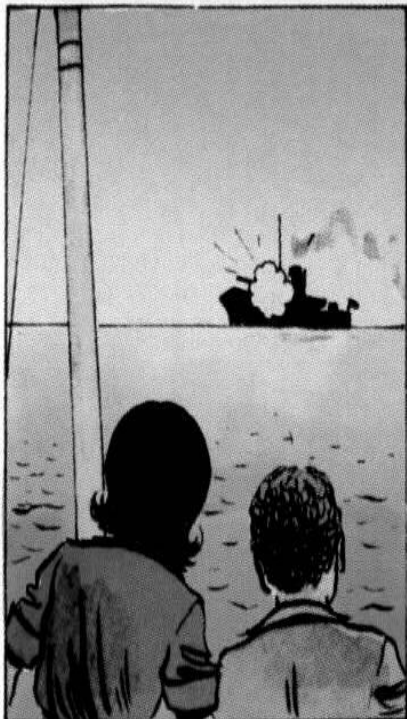

JOHN AND THE DOCTOR MARVEL AT THE REPAIRS TO THE BOAT MADE BY THE EXPLOSION!

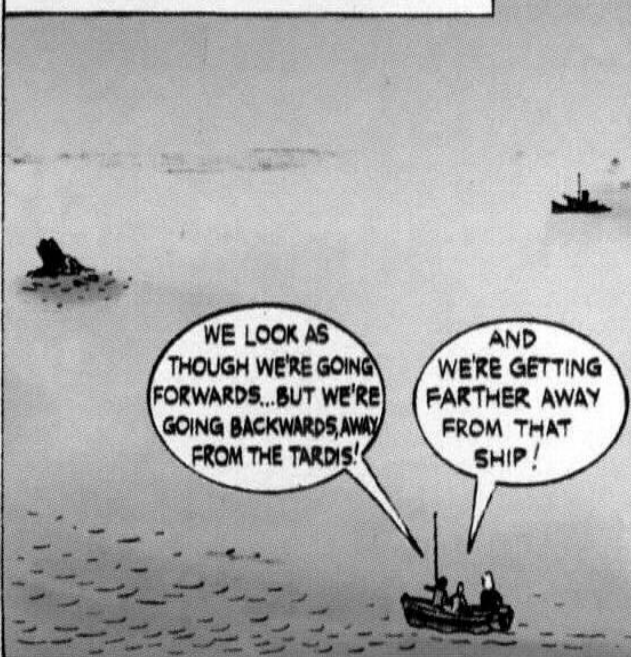

BUT HOW DID IT HAPPEN?
HOW CAN AN EXPLOSION
MEND ANYTHING?

I AM
COMPLETELY
BAFFLED, MY
BOY!

LOOK! THAT
OTHER BOAT IS
SHOOTING
AT US!

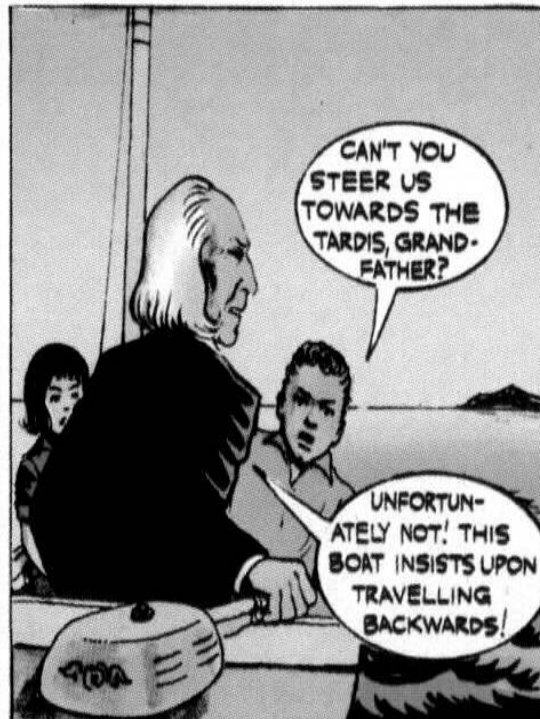

THE MYSTERY BECOMES STRANGER STILL...

WE LOOK AS
THOUGH WE'RE GOING
FORWARDS... BUT WE'RE
GOING BACKWARDS, AWAY
FROM THE TARDIS!

AND
WE'RE GETTING
FARTHER AWAY
FROM THAT
SHIP!

CAN'T YOU
STEER US
TOWARDS THE
TARDIS, GRAND-
FATHER?

UNFORTU-
NATELY NOT! THIS
BOAT INSISTS UPON
TRAVELLING
BACKWARDS!

AND BEFORE VERY LONG, THE KEEL OF THE
LITTLE BOAT GRINDS UPON A SHINGLY SHORE...

A SMALL GROUP OF FISHERMEN TAKE HOLD OF THE BOAT...

THEY'RE
PUSHING US
BACK INTO
THE SEA!

NO, GILLIAN!
THEY'RE PULLING
US OUT!

THEN ONE OF THE MEN SHOUTS AT THEM
ABOVE THE WIND... AND HIS WORDS COME
IN A MOST PECULIAR WAY!

!BOAT SOLDIERS' THE
FOR OUT WATCH AND
'LUCK GOOD

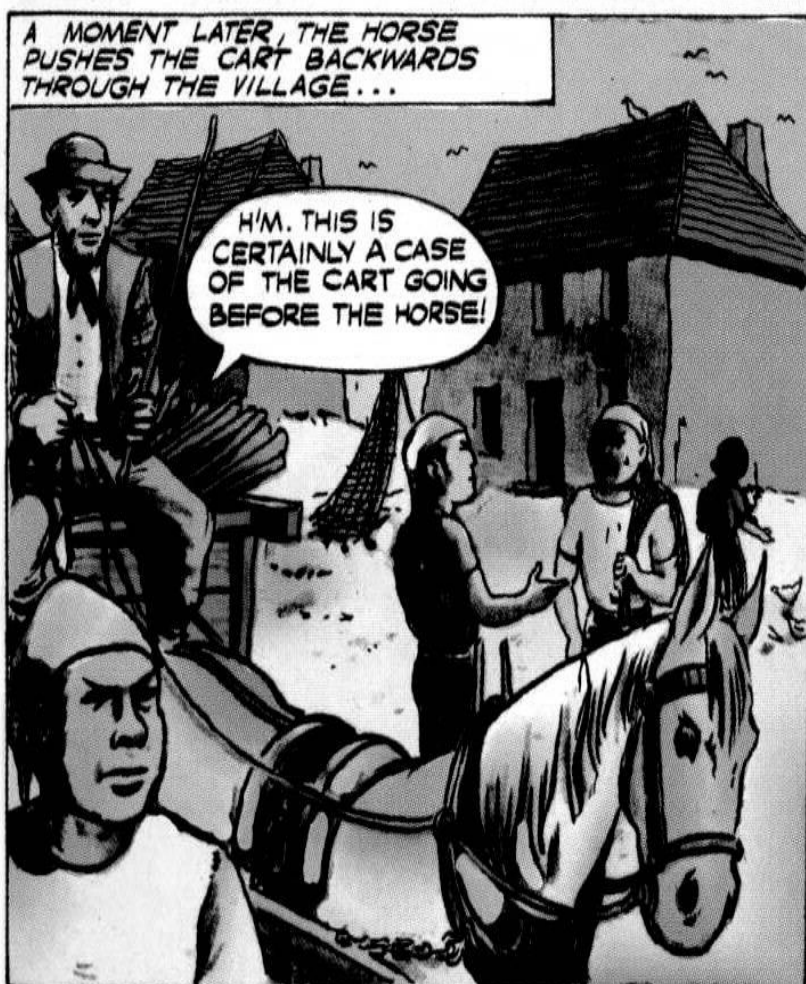

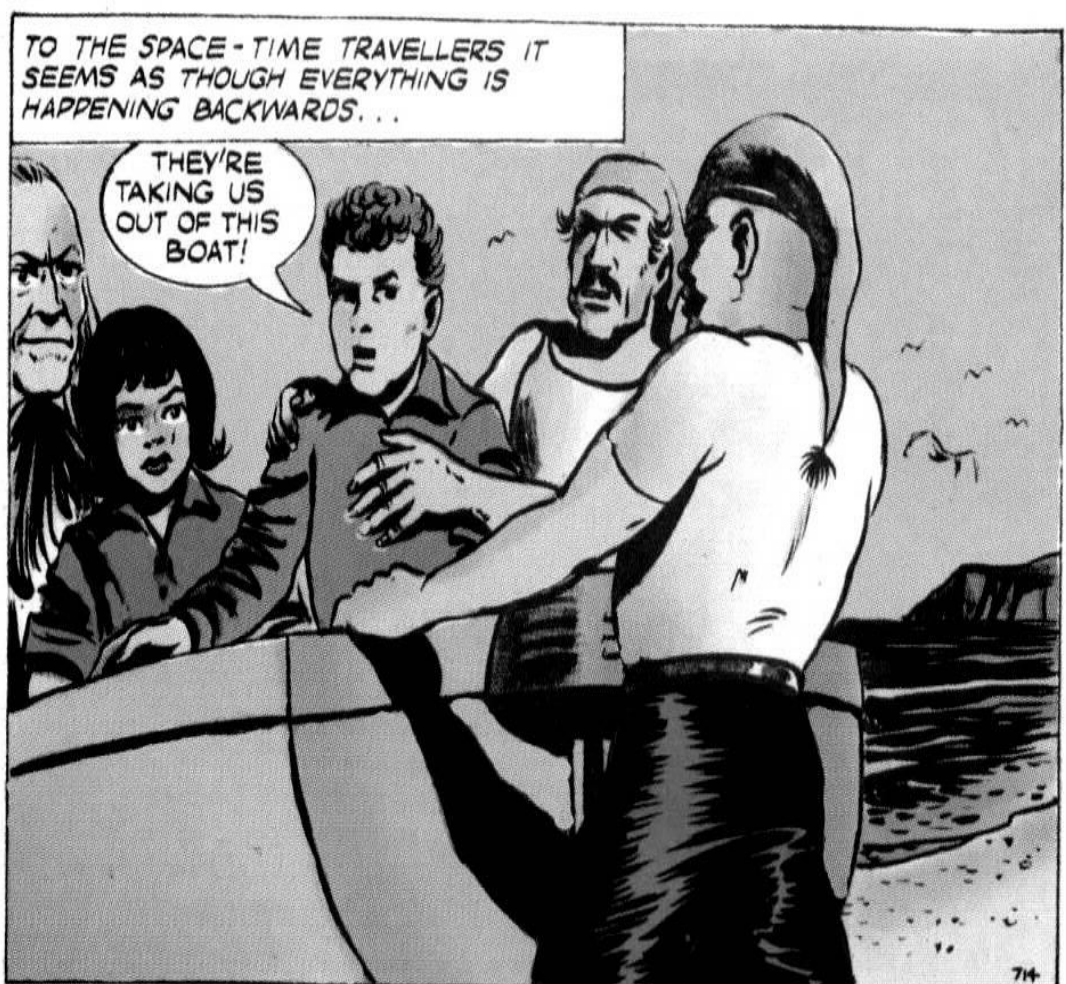

EVERYTHING
HERE IS HAPPENING
BACKWARDS... THAT
MAN EVEN SPOKE
BACKWARDS!

NEVILLE MAIN

DOCTOR WHO

THE Tardis has brought Dr. Who and his grandchildren, John and Gillian, back to Earth, but all is far from being right.

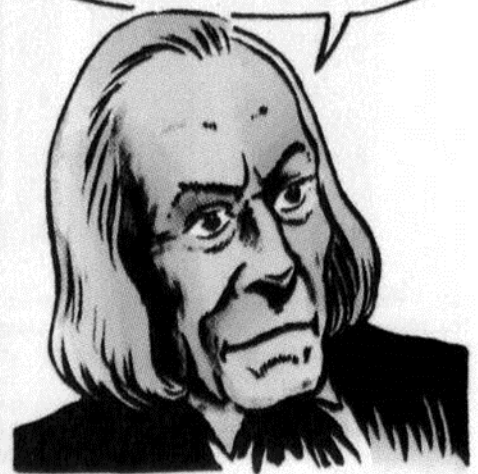

BY NOW, THE TRAVELLERS ARE USED TO BEING LED ABOUT BACKWARDS, AND THEY ARE NOT SURPRISED TO BE TAKEN INTO A THICKET AND HIDDEN THERE BY THE OLD WOOD-CUTTER...

I SUPPOSE THE OLD MAN REALLY FOUND US HERE... BUT SINCE EVERYTHING SEEMS BACKWARDS TO US, IT'S AS THOUGH HE'S HIDING US!

SOMETHING MUST HAVE GONE WRONG WITH THE **TARDIS**, AND IT TURNED US BACK TO FRONT IN TIME. THAT MAKES EVERYTHING VERY AWKWARD FOR US, I MUST SAY!

WHILST THE DOCTOR IS WONDERING WHAT WENT WRONG WITH THEIR SPACESHIP, JOHN IS WONDERING WHY THEY WERE IN HIDING. GILLIAN SOON POINTS OUT A GOOD REASON...

LOOK... SOLDIERS! THEY DON'T LOOK VERY FRIENDLY, DO THEY?

! AGO HOUR AN THAN LESS ROOM GUARD CAMP THE FROM ESCAPED THEY- FAR BE CANNOT THEY

THE SOLDIERS PASS ON THEIR WAY... WALKING BACKWARDS LIKE EVERYONE ELSE THE ADVENTURERS HAD SEEN SINCE THEY LEFT THE **TARDIS**...

WHAT DO WE DO NOW, GRANDFATHER?

THERE IS ONLY ONE THING THAT WE CAN DO TO GET OURSELVES OUT OF THIS BACKWARDS ADVENTURE!

THE SOLDIER SAID WE HAD ESCAPED FROM A CAMP. WE MUST FIND THAT CAMP AND GO BACK THERE. WE MUST TRY TO GET BACK TO THE **BEGINNING** OF THIS STORY... WHATEVER IT MAY BE! AT LEAST WE'LL FIND THE **TARDIS** THERE!

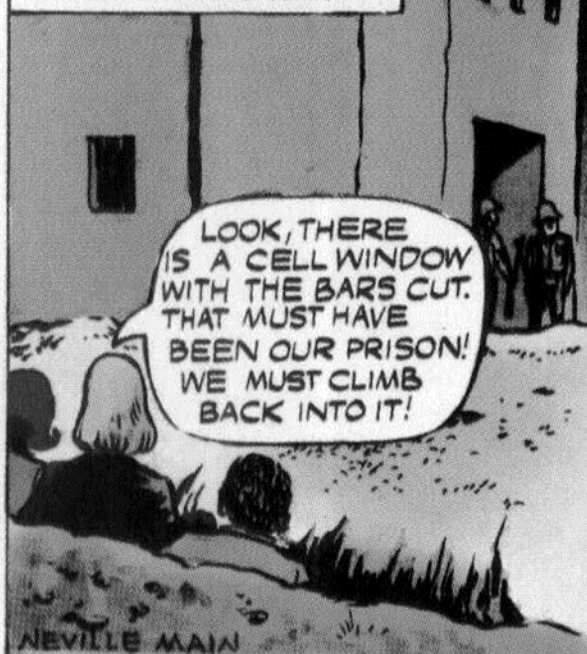

SO THEY MAKE THEIR WAY TO A CAMP THEY CAN SEE ON A HILL... TAKING GREAT CARE THAT THE SOLDIERS DO NOT SEE THEM...

THERE! THAT IS WHERE WE MUST GO!

IT LOOKS A HORRIBLE PLACE!

AS THEY COME CLOSER TO THE BARRACKS...

LOOK, THERE IS A CELL WINDOW WITH THE BARS CUT. THAT MUST HAVE BEEN OUR PRISON! WE MUST CLIMB BACK INTO IT!

OH DEAR, I WONDER WHAT WAS HAPPENING TO US IN THIS PRISON BEFORE WE ESCAPED?

DOCTOR WHO

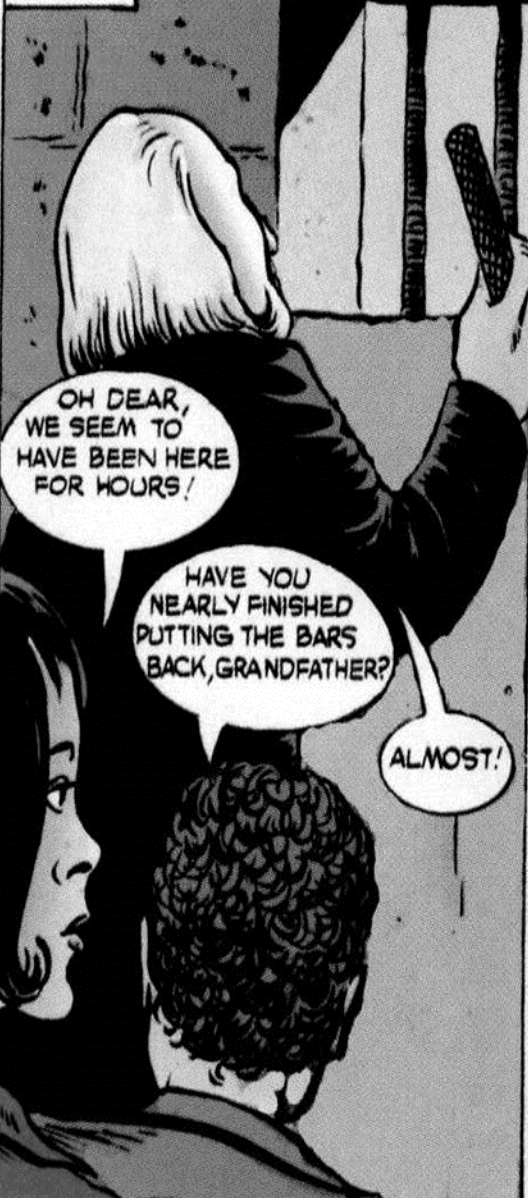

Dr. Who has managed to bring the Tardis to Earth in the present day, but everything is happening backwards because the Tardis has somehow turned around in its journey through space and time.

The brilliant doctor realizes that they have landed at the end of an adventure, and to escape back to reality, they must find their way to the beginning of this story!

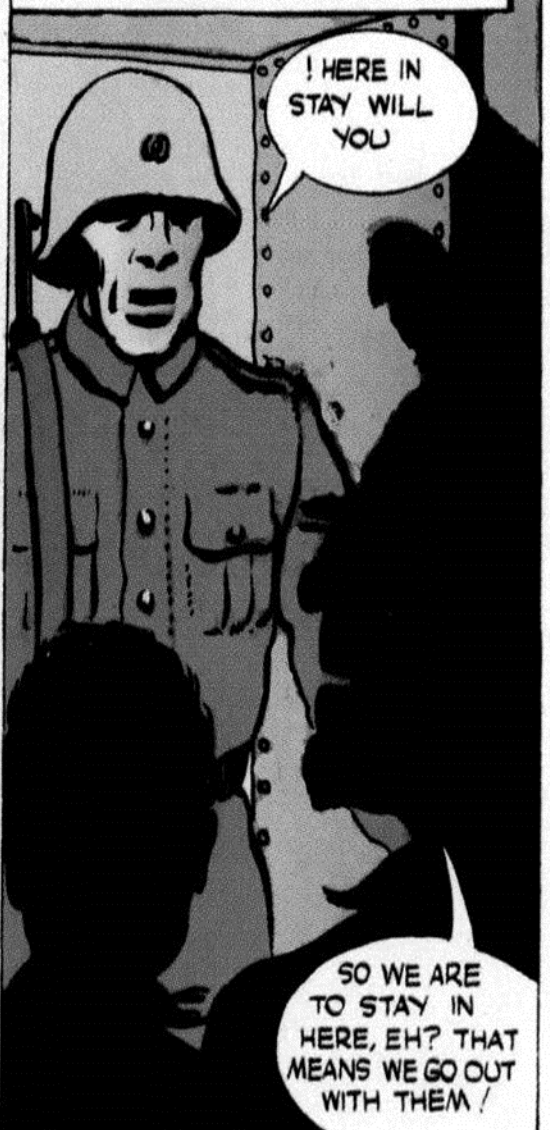

DR. WHO FINDS OUT THAT HE AND HIS GRANDCHILDREN HAVE ESCAPED FROM A SOLDIER'S PRISON...SO IN ORDER TO FIND THEIR WAY TO THE BEGINING OF THIS BACKWARDS STORY THEY CLIMB BACK INTO THEIR CELL!

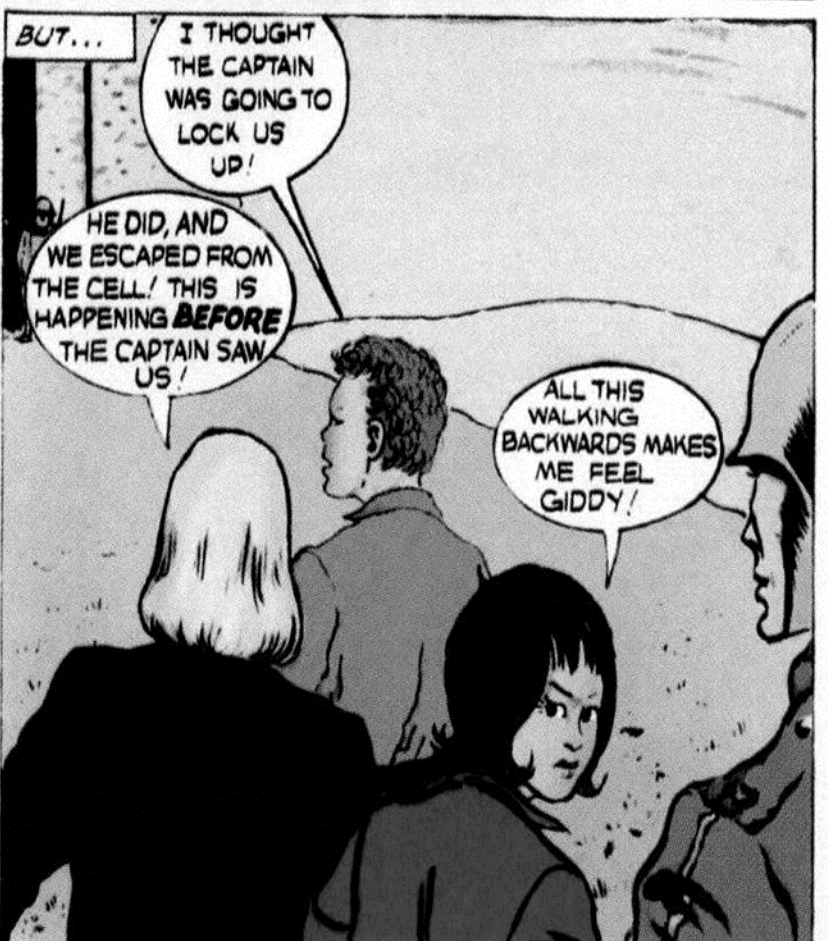

LATER...

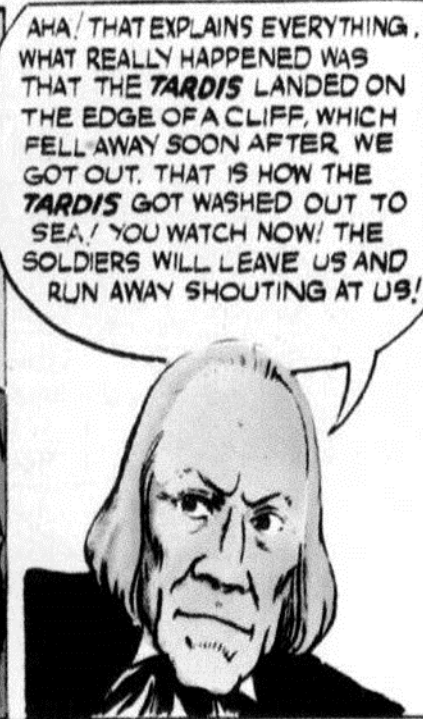

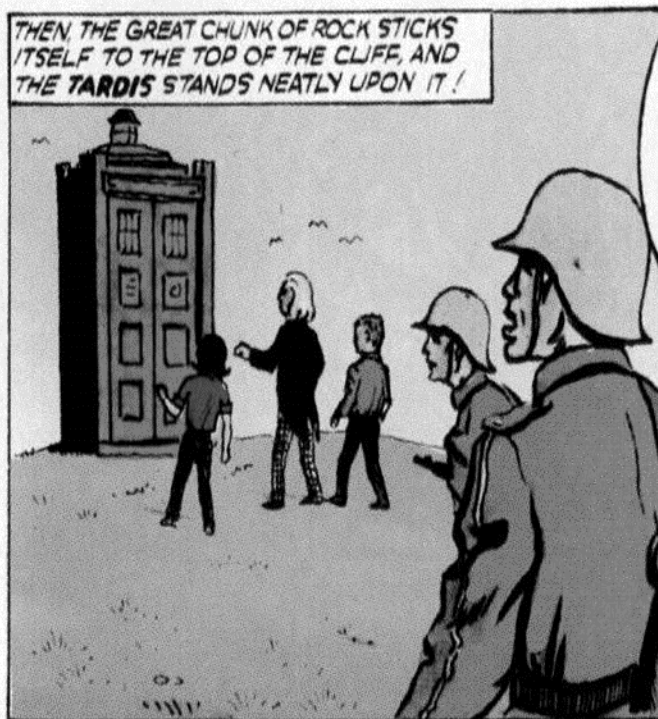

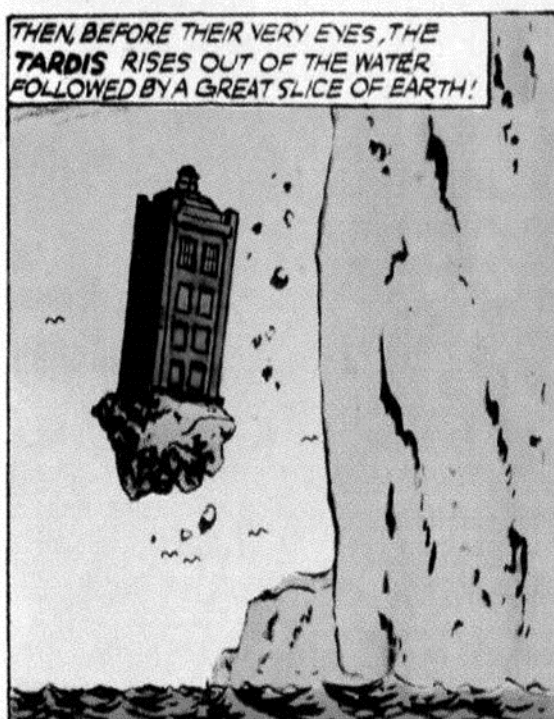

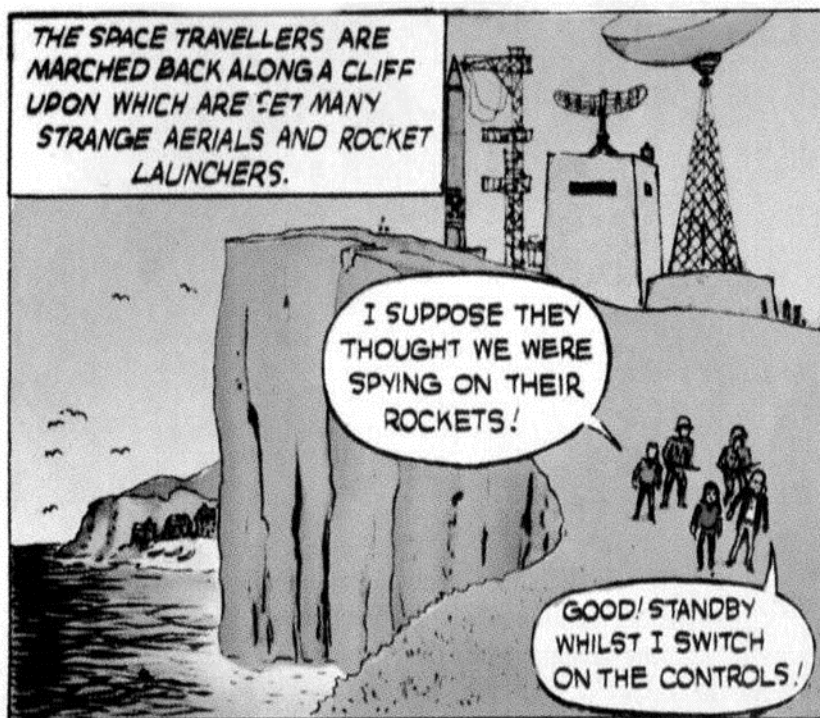

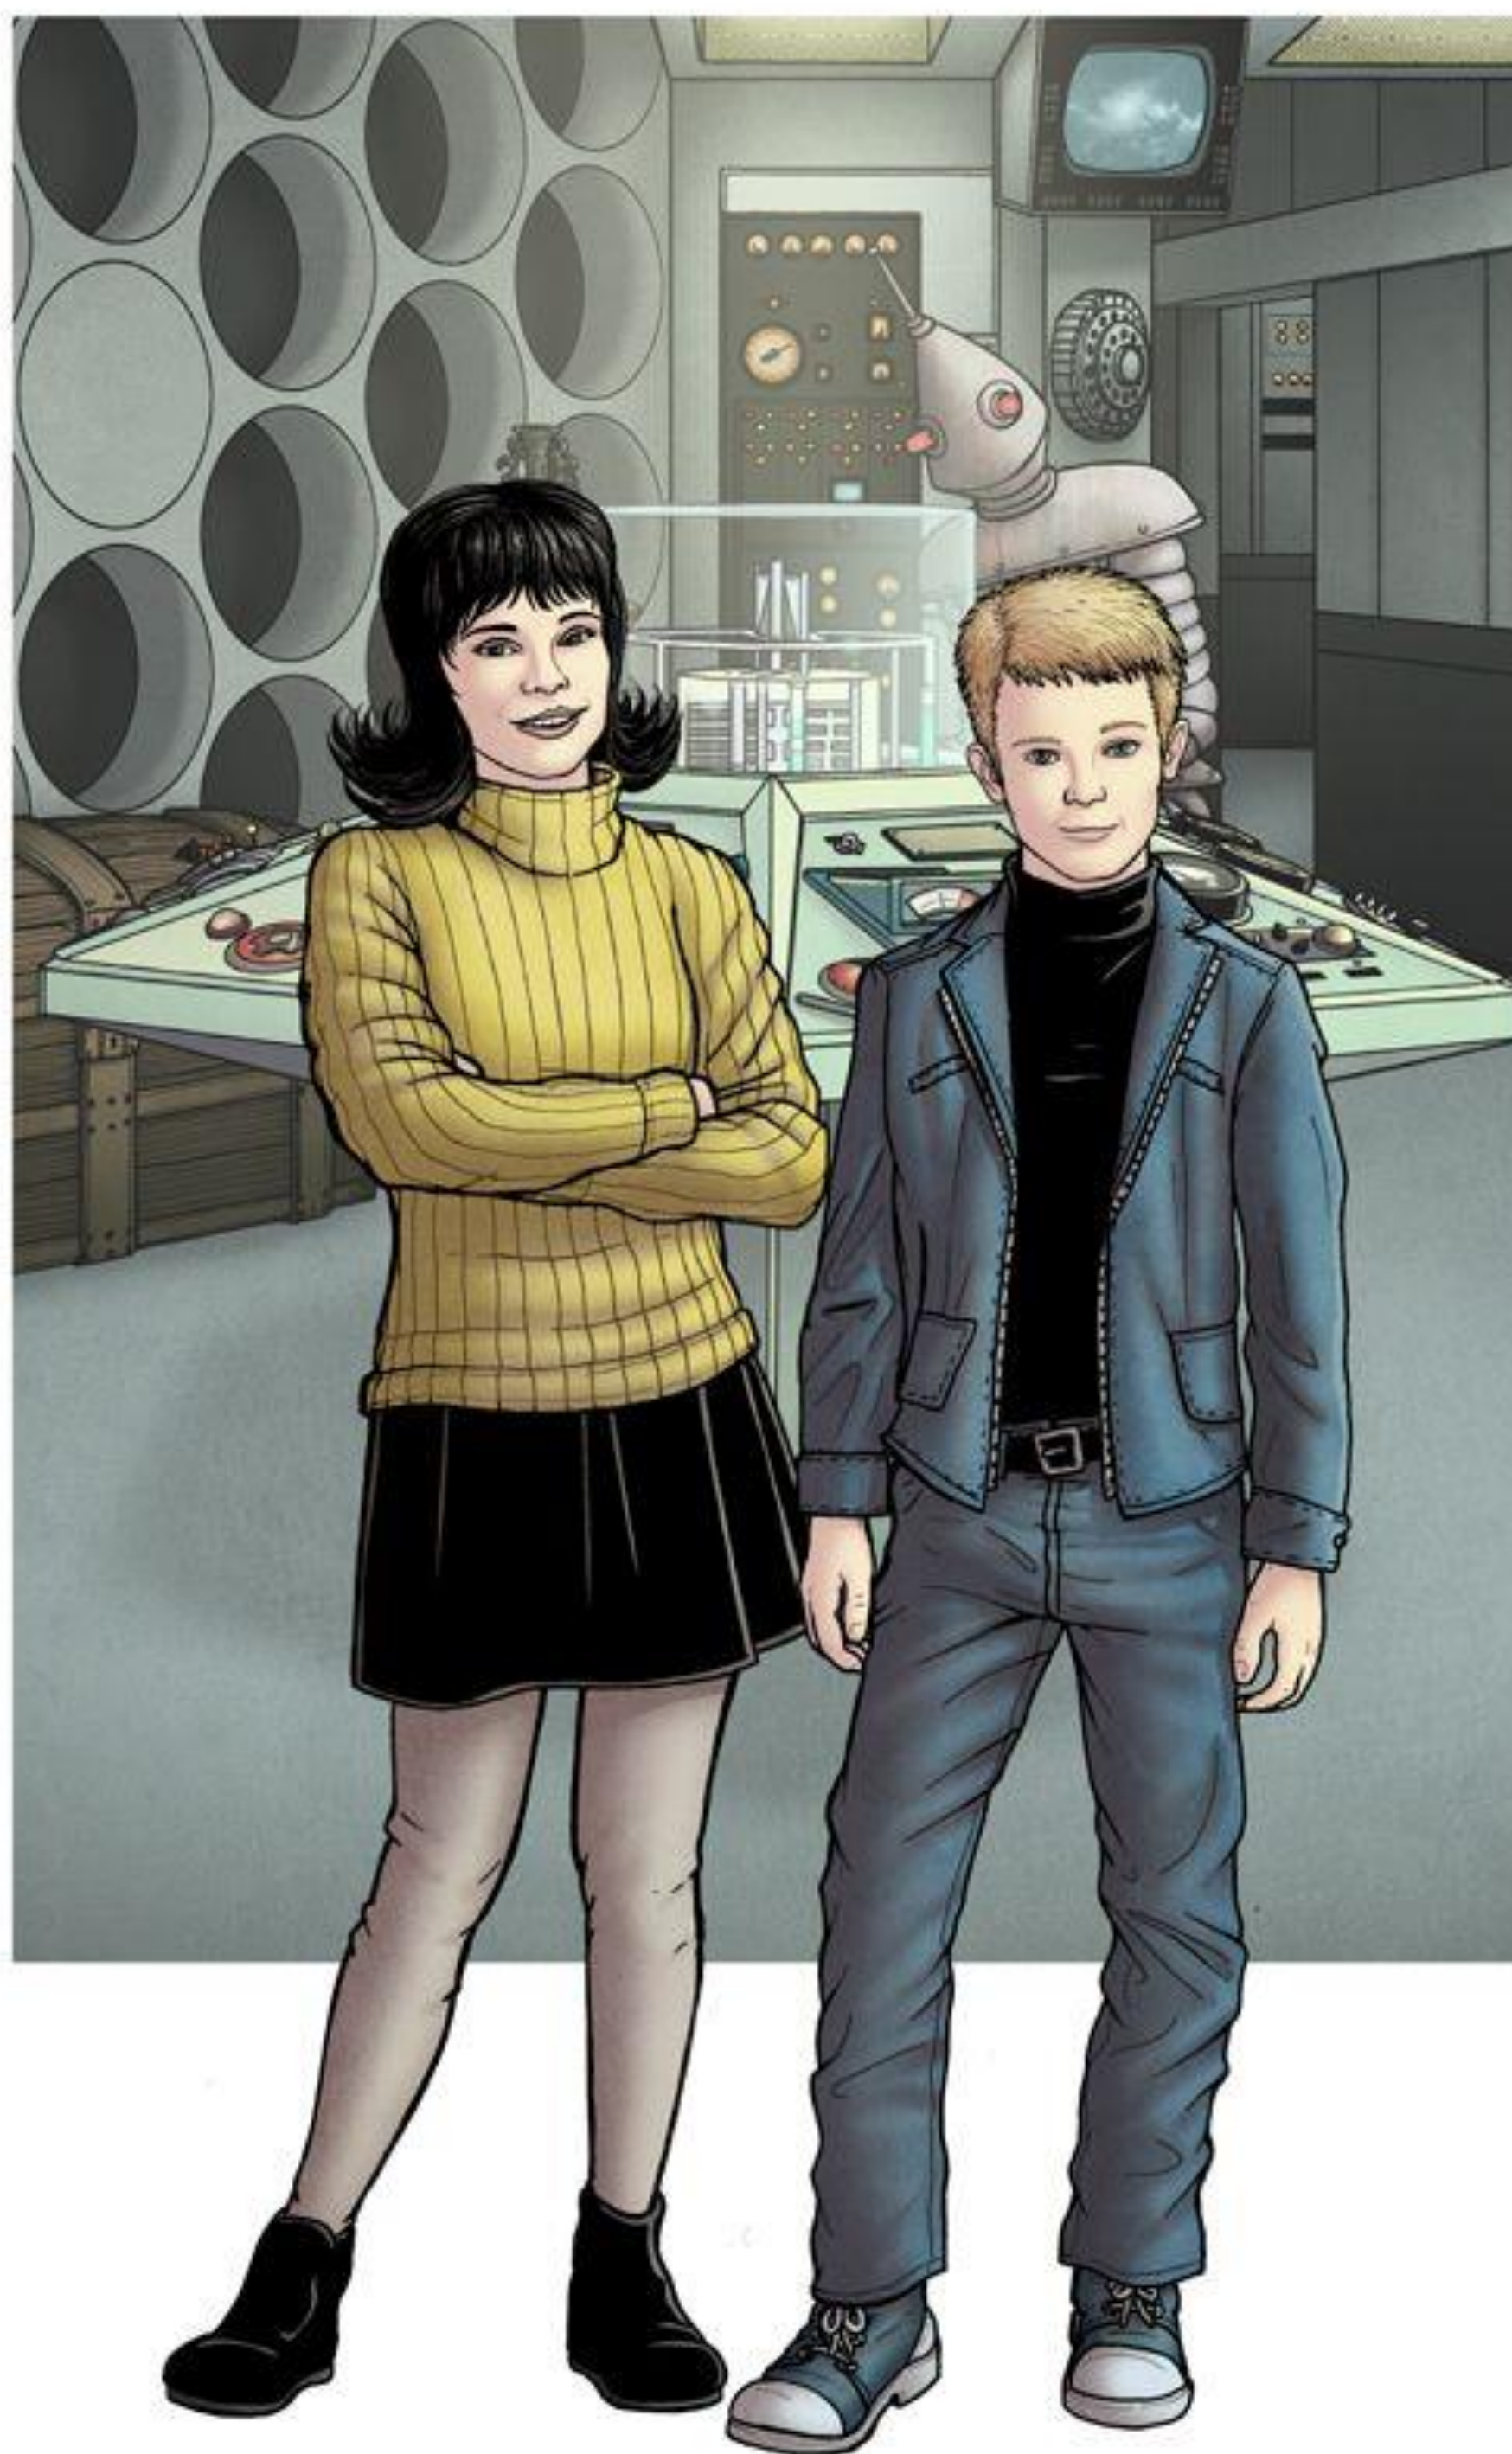

A MERE MINUTE OR TWO AFTER THE DOCTOR FINISHES AND SLIPS THE FILE BACK INTO HIS POCKET, THE DOOR OPENS...

DR. WHO HAS UNDERSTOOD THE SOLDIER'S BACK TO FRONT WAY OF TALKING AND KNOWS THAT THE ARMED MEN ARE PUTTING THEM INTO THE CELL... ALTHOUGH IT SEEMS AS THOUGH THEY ARE TAKING THEM OUT!

JOHN AND GILLIAN, A YOUNG BROTHER AND SISTER, ARE CHARACTERS IN THE TV COMIC STRIP BASED ON THE LONG-RUNNING BRITISH SCIENCE FICTION TELEVISION SERIES DOCTOR WHO. THE STORIES FEATURING THEM WERE DRAWN FIRST BY NEVILLE MAIN, THEN BY BILL MEVIN AND FINALLY BY JOHN CANNING. THEY FIRST APPEARED IN THE STORY THE KLEPTON PARASITES (ISSUES 674 TO 683). THEY BEGAN BY LOOKING FOR THEIR GRANDFATHER, THE DOCTOR, IN A JUNKYARD. THIS PARALLELED THE EVENTS OF THE TELEVISION SERIES' FIRST EPISODE "AN UNEARTHLY CHILD", ALTHOUGH IN THE STRIP, THE JUNKYARD WAS AT NO. 16 INSTEAD OF NO. 76.

THE DOCTOR DID NOT APPEAR TO HAVE MET THEM PRIOR TO THEIR FIRST APPEARANCE, BUT THEY WERE AWARE OF HIM AS BEING AN "INVENTOR OR SOMETHING" AND HE IDENTIFIED THEM AS SOON AS THEY ENTERED THE TARDIS, SAYING, "YOU MUST BE JOHN AND GILLIAN..." THIS LACK OF SURPRISE ON HIS PART INDICATED HIS AWARENESS OF THE POSSIBILITY OF THEM TURNING UP AT SOME POINT. DURING THEIR VISIT, JOHN PLAYFULLY TOUCHED A CONTROL BUTTON AND TRANSPORTED THEM TO THE 30TH CENTURY, WHERE THEY HELPED THE PEACEFUL THAINS TO DEFEAT A RACE OF ALIEN INVADERS, THE KLEPTONS. AT THE END OF THE TALE IT SEEMED THAT THE DOCTOR WAS ABOUT TO MAKE AN ATTEMPT TO RETURN HIS GRANDCHILDREN TO THE 20TH CENTURY, BUT THIS WAS NOT TAKEN UP IN THE SECOND STORY, WHICH COMMENCED WITH A CRASH-LANDING FOR THE THREE ON AN ASTEROID AND WENT ON TO TELL OF THEIR INVOLVEMENT IN THE QUEST FOR A MOSS WITH MEDICINAL QUALITIES.

JOHN AND GILLIAN TRAVELLED WITH THE DOCTOR FOR MANY ADVENTURES AND FOUGHT AGAINST MANY ENEMIES, INCLUDING THE VILLAINOUS "GREAT IXA", THE SPACE PIRATE CAPTAIN ANASTAS THRAX, THE ANT-LIKE ZARBI (FROM THE TELEVISED STORY THE WEB PLANET), THE SPHERICAL GYROS ROBOTS AND EVEN THE PIED PIPER IN WHAT AMOUNTED TO A SEQUEL TO ROBERT BROWNING'S FAMOUS POEM. A LATER STORY INTRODUCED THE TRODS, CONE-SHAPED ROBOTIC CREATURES THAT RAN ON STATIC ELECTRICITY, CREATED FOR THE STRIP BY ARTIST JOHN CANNING AS SURROGATE DALEKS, SINCE THE LATTER COULD NOT AT THAT TIME BE USED AS TERRY NATION HAD SOLD THE RIGHTS TO THE DOCTOR'S ARCH-ENEMIES ELSEWHERE; NAMELY, CITY PUBLICATIONS' TV CENTURY 21. AFTER TV21'S COMIC STRIP THE DALEKS CAME TO AN END, POLYSTYLE PUBLICATIONS OBTAINED THE RIGHTS, AND THE DALEKS SWEEPED ONTO THE FRONT COVER OF ISSUE 788 OF TV COMIC IN THE FIRST INSTALMENT OF THE TRODOS AMBUSH, IN WHICH THEY MASSACRED THE TRODS.

JOHN AND GILLIAN, WHO NOW APPEARED TO BE TEENAGERS, REMAINED WITH THE DOCTOR FOR MANY MORE COMIC STRIP ADVENTURES UNTIL THE FIRST PART OF INVASION OF THE QUARKS (ISSUES 872 TO 876), WHEN THE DOCTOR ENROLLED THEM IN THE GALACTIC UNIVERSITY ON THE PLANET ZEBADEE. THIS WAS THEIR LAST APPEARANCE IN THE TV COMIC

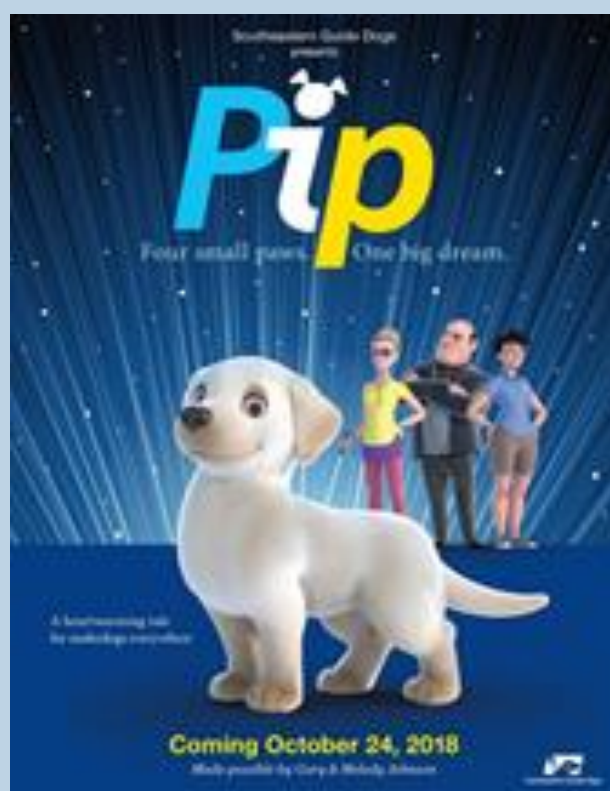

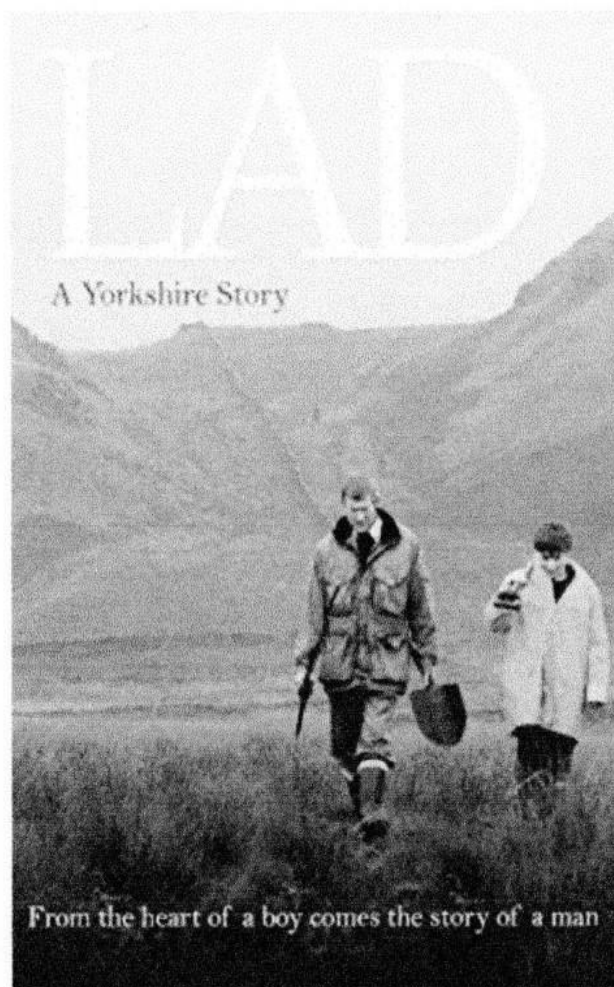

The one told in Pip is a moving and universal story. The little protagonist of this animated short published by Southeastern Guide Dogs is a puppy with a big dream, that of becoming a guide for the visually impaired, but the course turns out to be more suspicious than expected.

Pip is the youngest of the students and always encounters complications in doing any exercise, but thanks to his great willpower he manages to get to the final exam.

I don't want to reveal the final, but consideration must be made. Pip shows perfectly how in life what you learn at school is important, but how you use your qualities and how you behave outside, in real life are a whole different story.

LAD A yorshire story

A teenage boy forms a friendship with a park ranger in the Yorkshire Dales after the death of his father.

EN

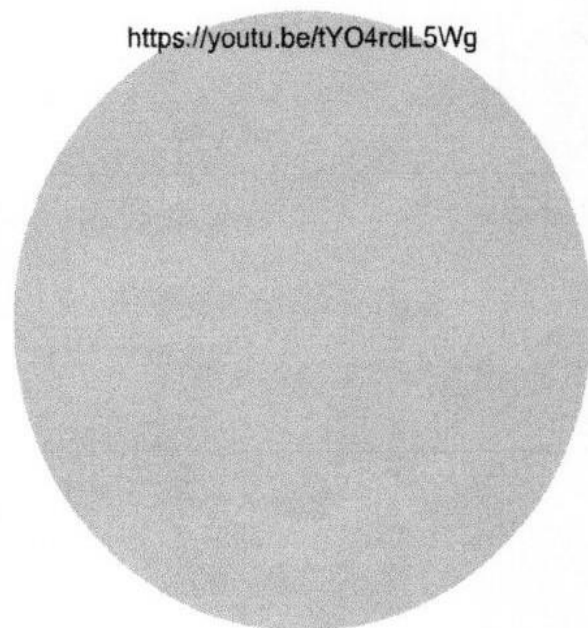

Director: Dan Hartley

Writer: Dan Hartley

Stars: Bretten Lord, Nancy Clarkson, Liam Thomas |

The film was made in 2011 with a cast of newcomers and help from the community soon after Hartley had left film school. With a few short films already under his belt and an abandoned career in the law behind him, he noticed all the producers he met were especially drawn to his idea of telling the story of a friendship between a park ranger and young teenage boy in danger of losing his way in the world. This low budget film finally gets noted on YouTube and amazon as it had trouble get cinema screening at time. Rating full marks

The first season of the American science-fiction television series Star Trek, originally created by Gene Roddenberry, premiered on NBC on September 8, 1966, and concluded on April 13, 1967. The season debuted in Canada on CTV two days before the US premiere, on September 6, 1966. It consisted of 29 episodes, which is the highest number of episodes in a season for the original series

Star Trek: The Original Series Season 1 Review

----- DAZ ANDERSON

The first series whet though few character changes to get series to the air since THE CAGE the captain Pike adventure it be few adventures before it came to be show we know also way aliens act see aliens not taken over the earth like 1950s they were not good or evil, just act force of nature try to survive make you scared and sorry for them at same time Charlie X and The Man Trap are two good examples that try to be different at time many ways even with the troubles to get the show on-air give idea of star ship of future mix races working together well in real world the 1960s, decades of racial, economic, and political forces, which generated inner city poverty, resulted in race riots within minority areas in cities across the United States. ... The riots in Newark spread across the United States in most major cities and over 100 deaths were reported.

Even the threat of cold war at time at same time people fight to make world better for Act to prevent discrimination.

The good news, however, is t will receive a third series and finale. be available Netflix. Writers: Olan Rogers, David S Nick Watson, Jane Becker, Be Mekler, Adam

this series universal appeal th has grab fans worldwide a lot thought and love how they wa go for | Gary this universe arc really changes his life forever friends he meets and enemy' done with great humor and sadness and care for all the characters journey they take wonder how will they get out the next episode.

The Perishers

Timeslip is a British children's science fiction television series made by ATV for the ITV network and broadcast between 1970 and 1971.

TIMESLIP

CLASSIC TV CHICE

----- D ANDERSON

TIMESLIP some great ideas in this series that started as six-part series that end up 26 episodes of 5 stories that play with time show diffident futures out comes what could be and could we change it. Like any tv show can only be good as script and cast that makes it hold up well and amazed some things came real that were part of world of fiction in 1970 and not far of what could be in 1990.s as we have large tv screen on walls. cloning even we not done people yet also start living in dream mind with computer has only just begun in 2016 also scares playing danger of playing with mother earth effects the weather also globe warming the show has. has great twist that put all adventures to put pieces together of time events of 1940, 1990 ,1965,1970 and soon understand why is still talked about to this day. Rated 10/10

First episode date: 28 September 1970

to get Reddy for the day

CGI Animated Short Film: "Alarm" by Moohyun Jang | CGMeetup
Snooze buttons, sunlight...the inescapable cacophony of alarm alerts: waking up in the morning is a battle between the present and the future state of mind. A dream-like war with yourself and other objects that seem to take a life of its own.

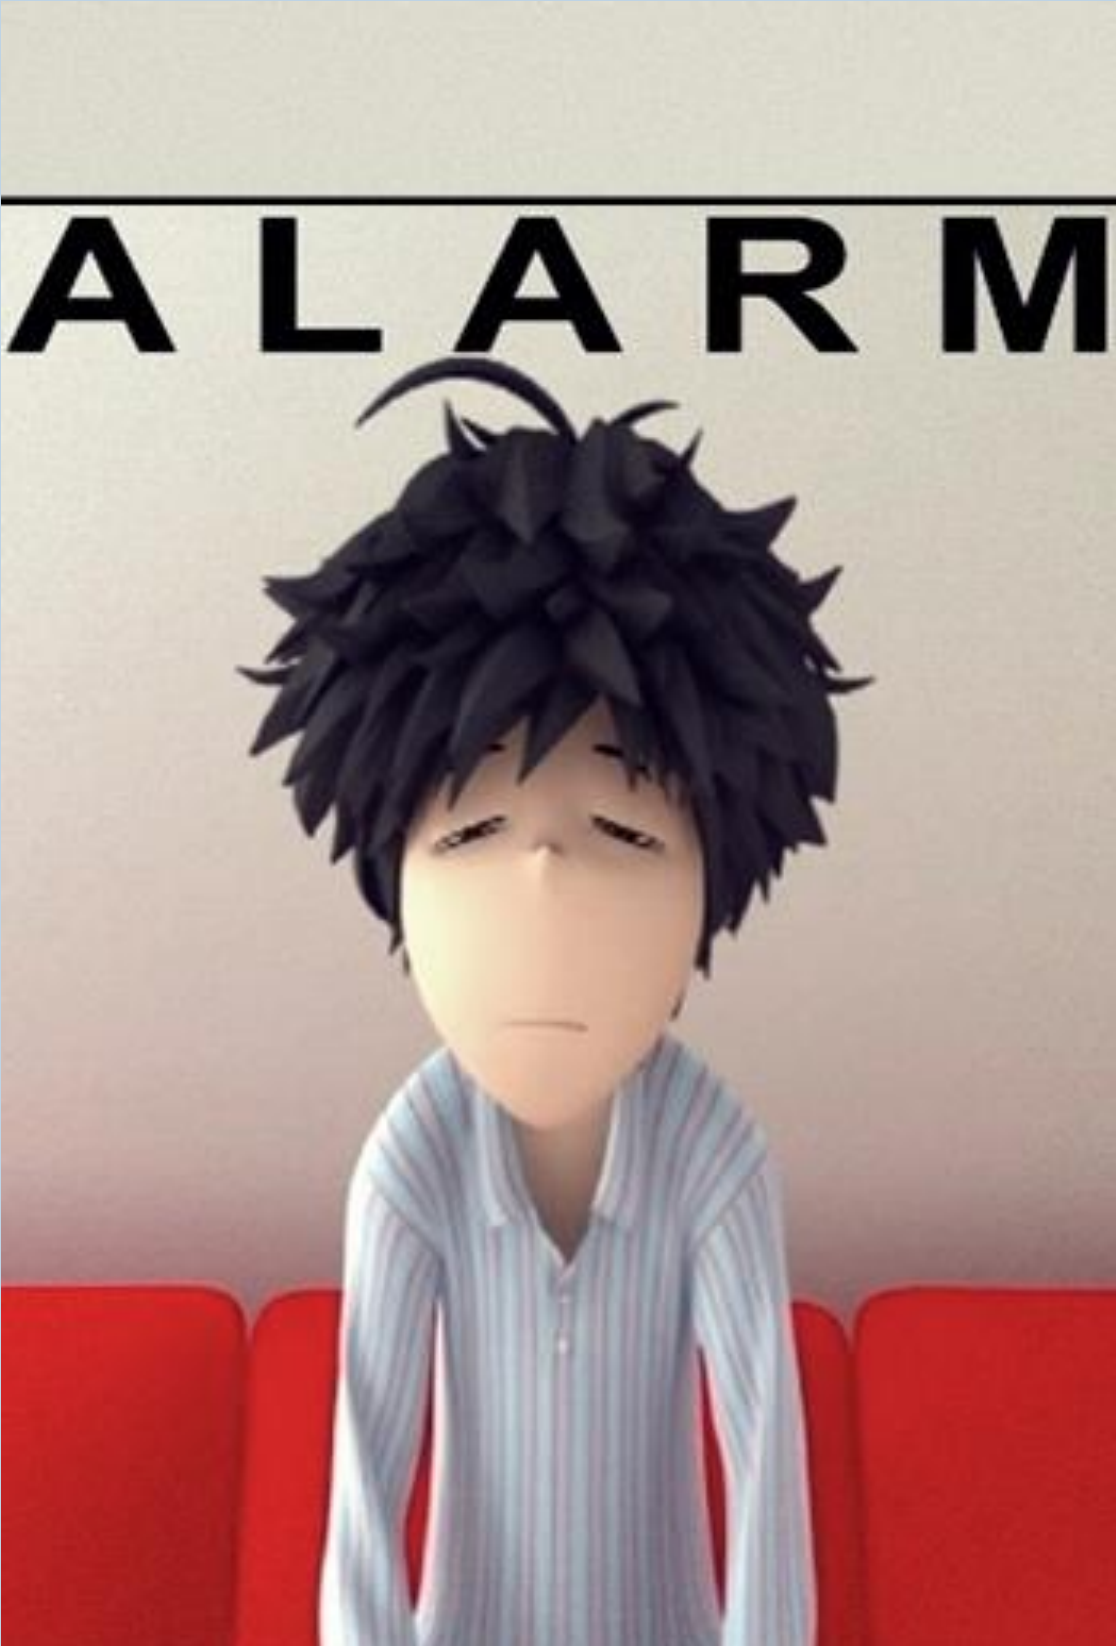

Director

Moo-Hyun Jang

Real amazing animation talented artists out there I have come across on YouTube short tales had chosen this one for it humor great simple story who really like alarm clock in morning even we have to get Reddy for the day

ANIMATED CHOICE

WISH DRAGON

Sony Pictures Animation's co-production with China's Tencent Pictures, Cultural Investment Holdings and Base Media. The Shanghai set fantasy features working-class student Din who teams up with Long, a cynical but all-powerful dragon with the power to grant wishes. Together they set off on an adventure in pursuit of Lina, Din's long-lost childhood friend.

Princess Mononoke

1997 · Fantasy/Adventure · 2h 13m

In the 14th century, the harmony that humans, animals and gods have enjoyed begins to crumble. The protagonist, young Ashitaka - infected by an animal attack, seeks a cure from the deer-like god Shishigami. In his travels, he sees humans ravaging the earth, bringing down the wrath of wolf god Moro and his human companion Princess Mononoke. His attempts to broker peace between her and the humans brings only conflict.

Coco

PG 2 017 · Family/Comedy · 1h 45m Miguel pursues his love for singing in spite of his family's ban on music. He stumbles into the Land of the Dead, where he learns about his great-great-grandfather who was a legendary singer.

DOCTOR WHO

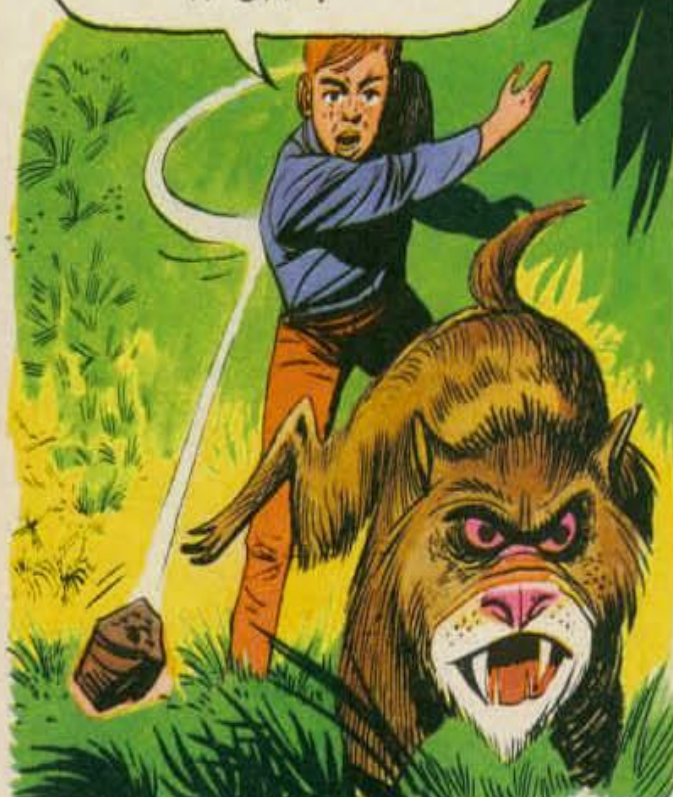

THE Tardis has been travelling in time and space for so long that its passengers, the ingenious Doctor Who and his two grandchildren, John and Gillian, are weary. At last, they land upon a pleasantly warm and green planet . . . the name of which they cannot even guess!

SUDDENLY, GILLIAN GIVES A SQUEAK OF FRIGHT!

THERE! THAT'S CHASED IT OFF !

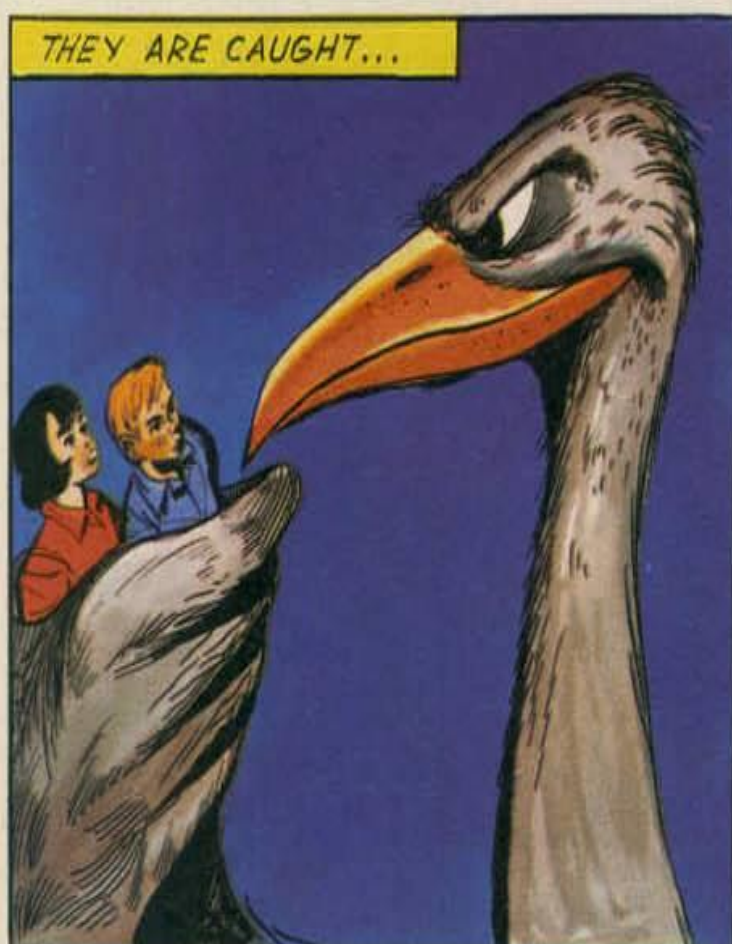

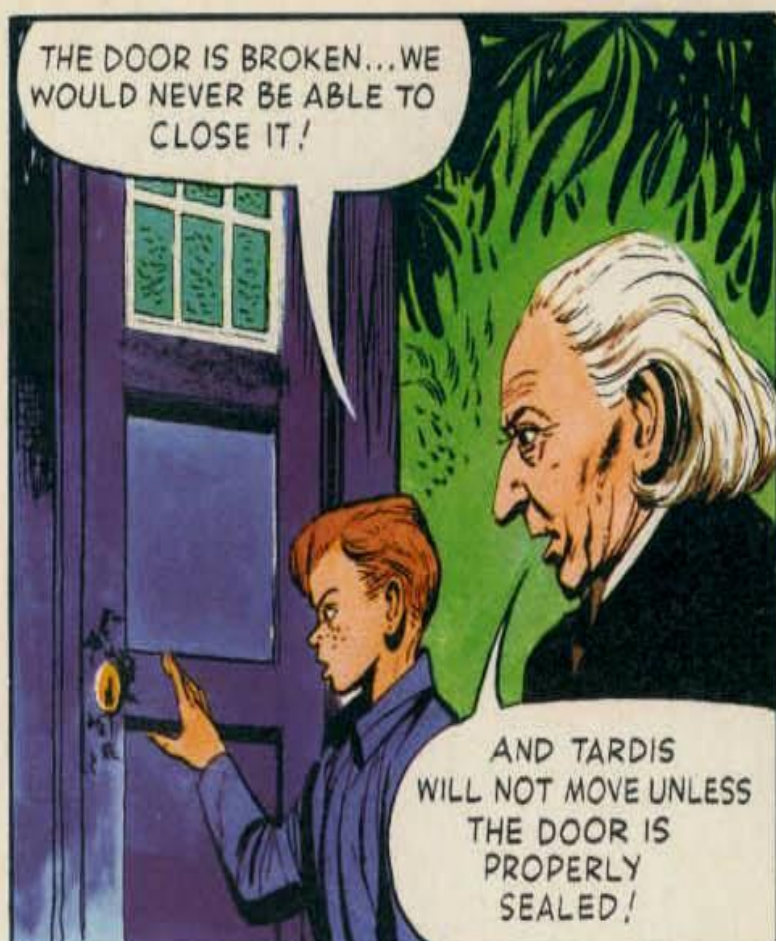

BUT A MOMENT LATER . . .

ANOTHER FALLING ROCK, QUICK, BACK TO THE TARDIS !

"BASED ON THE BBC TELEVISION SERIES, DR. WHO."

AND THE GIANT BIRD CARRIES THE CAGE AWAY OVER THE FOREST...

IT IS IN THE BRANCHES OF A TRULY GIANT TREE THAT THIS BIRD AND MANY OTHERS HAVE THEIR NESTS, AND IT IS HERE THAT THE TWO CHILDREN ARE DISPLAYED TO A GATHERING OF THE CURIOUS CREATURES...

AND THE MONSTER BIRDS PROD AND WATCH AND PEER AND POKE AT THEM UNTIL NIGHTFALL...

THEN THEY ARE SHUT UP FOR THE NIGHT...

HOWEVER DO THEY EXPECT US TO SLEEP HERE?

THE CHILDREN ALSO TRY SOME OF THE FOOD AND DRINK PROVIDED, BUT THE FOOD IS TOO HARD AND THE DRINK TOO BITTER TASTING...

IF THOSE BIRDS ARE GOING TO KEEP US HERE AS PETS... I HOPE THEY JOLLY SOON FIND OUT HOW TO LOOK AFTER US!

NOW I KNOW HOW UNPLEASANT LIFE MUST BE FOR SOME OF THE PETS ON EARTH WHEN THE CHILDREN WHO OWN THEM DON'T BOTHER TO CARE FOR THEM PROPERLY!

AFTER AN HOUR OR TWO OF MISERABLE CAPTIVITY...

LISTEN! SOMETHING IS GNAWING AT THE BACK OF OUR CAGE!

THE GNAWING CONTINUES FOR QUITE SOME TIME, UNTIL A SMALL HOLE APPEARS, WHICH GRADUALLY GROWS LARGER AND LARGER UNTIL...

LOOK, GILLIAN! IT'S ONE OF THOSE UGLY ANIMALS I CHASED AWAY!

AND THERE'S GRANDFATHER!

HURRY ALONG, CHILDREN, THERE ISN'T MUCH TIME!

THE DOCTOR QUICKLY EXPLAINS HOW HE HAD MANAGED TO HIDE WHEN THE BIRD HAD CAPTURED JOHN AND GILLIAN, AND HOW HE HAD THEN MADE FRIENDS WITH THE UGLY ANIMAL, WHICH WAS REALLY QUITE CLEVER AND HELPFUL...

THEY REACHED THE TARDIS JUST AS DAWN WAS BREAKING...

THE TARDIS IS ALL REPAIRED FOR ANOTHER JOURNEY... LET'S HURRY BEFORE THOSE BIRDS COME BACK!

I'M JUST SAYING GOODBYE TO OUR FRIEND HERE, GRANDFATHER... AND MAKING THE PROMISE NEVER TO BE UNKIND TO ANY ANIMAL AGAIN!
